**ANNUAL CARTA MEMBERSHIP MEETING
AND FALL SYMPOSIUM**

El Camino Real de Tierra Adentro runs from Mexico City, Mexico through west Texas, and to northern New Mexico. That portion located in the United States was declared a National Historic Trail in 2000.

El Camino Real de Tierra Adentro Trail Association (CARTA) was established in 2003 to help protect the trail and educate the public about this unique conduit through a variety of hands-on activities.

Please join trail enthusiasts, historians, archaeologists, civic leaders, federal agencies, our international colleagues, students, and residents of all ages along the Camino Real as we share our research and experiences.
